PREFACE.

THIS, the third edition of THE JEWELERS' WEEKLY COMPLETE DIRECTORY, is in many particulars an improvement upon former editions. To the matter constituting the first and second editions illustrations of American trade marks for sterling silverware and silver plated ware, cut glass and art pottery, tables for a ready computation of the prices of diamonds of various weights and of gold and silver, a table of wages, by which the rate per hour can be easily determined from the rate per day, and lists of legal and religious holidays have been added.

The labor of revising the text of the body of the Directory has been carefully and conscientiously performed, and the publishers are confident that this edition of THE JEWELERS' WEEKLY COMPLETE DIRECTORY will be found the most accurate and complete jewelry trade list ever published. The errors of former editions have been carefully eliminated, and the book will hereafter deserve even higher praise than has been bestowed upon it in the past.

The thanks of the publishers are extended to the many members of the trade who have contributed information of errors in former editions and who have assisted in rendering the work complete by promptly responding to inquiries.

OF THE

JEWELERS' WEEKLY COMPLETE DIRECTORY.

We are sure the Directory will be a book that will be consulted daily by us and have often wondered that such a one should not have been published long ago.

SHREVE, CRUMP & LOW CO., Boston, Mass.

Your magnificently gotten up Directory is very highly appreciated. We think the book indispensable to the trade, and will prove highly useful as well as invaluable to the jewelry trade. We have had a number of occasions already to substantiate its merits.

JACOBS BROS., Washington, D. C.

We think the Directory the only complete one we have ever seen.
